Dear Name,

As you may have heard, the Tekamah Herman Youth Wrestling Club has started raising funds to build the Guy Mytty Wrestling Center. We have even secured a piece of property just southwest of the school where demolish plans are moving forward of the current structure. We plan for a 5,000 square foot facility to house two practice mats, the club office, restrooms, and some storage for the club.

Our intent in building this facility is to provide a place where the club wrestlers can call their own. It will be held by the club separate from the school. This gives us the ability to practice when the school facilities are otherwise occupied (ie: basketball games, concerts, etc.)

The wrestling club board members have taken steps to ensure the future of the Tekamah-Herman Youth Wrestling Club. This next step will be the one that continues us down the road to rebuilding the tradition that was once a staple of a storied program built by the late Guy Mytty and the hard working wrestlers that surrounded him. This facility will not only honor Guy and his legacy, but it will provide a home for those committed to extending the reach of his work ethic.

Please read the enclosed core values and mission statement that will drive this club and this project forward. We believe if you knew Guy or ever had anything to do with wrestling, you will identify with more than one of the core values.

We have already had some very generous people step up to help us make the Guy Mytty Wrestling Center a reality. We are doing everything we can to have this facility open for the start of club practice in the fall of 2020. With your help, we can make this happen. You will also find enclosed an overview of the project and a donation form. We are a 501(c)3 organization so donations a tax deductible.

Thank you for your consideration!
